Reflection Questions:

- Are you living your life that others can tell by your attitude, actions and words that you have a personal relationship with Jesus? Explain.
- Is it possible that you might be repeatedly asking forgiveness for a sin that God has already forgiven? If so, how can you put it behind you and move forward in your spiritual life?
- Let me encourage you to take some time to thank the Holy Spirit for His ministry in your life and ask Him to empower you to live life full and free as Christ meant for you to live.
